

POLICY # 1.15
EMPLOYEE RECORDS INVESTIGATION

The Eufaula Board of Education believes that it has a responsibility to seek only those employees who are qualified in every respect. The Board further believes that it should avail itself of means and methods provided by the legislature to assist in the selection of employees. Therefore, it is the policy of this Board of Education to require a signed release from all prospective employees allowing a felony records check to be conducted as authorized by Oklahoma law. The records check may be initiated by the School District's written request, through the Superintendent.

If the applicant for employment meets all other criteria for employment in this School District, the applicant may be employed on a temporary basis for up to ninety (90) days pending receipt of the felony records search results
